

Residential Rebates

SMART SPRINKLER TIMERS AND SOIL MOISTURE SENSORS

▶ **REBATES UP TO \$230**

A weather-based irrigation controller adjusts the watering schedule based on current weather conditions, and a soil moisture sensor measures the soil's water content to determine how much water plants need.

HIGH EFFICIENCY SPRINKLER NOZZLES*

REBATES UP TO \$6* EA. ◀

Upgrade to rotating sprinkler nozzles that water more evenly and efficiently than traditional pop-up spray heads.

Minimum 30 nozzles

NATURESCAPE TURF-TO-NATIVE GARDEN PROGRAM

▶ **RECEIVE HALF OFF DESIGN FEES PLUS \$2 PER SQ. FT. OF TURF REPLACED**

An easy, direct-install program that provides assistance to customers with landscape design, turf removal, and landscape installation.

TURF REMOVAL

REBATES OF \$2 PER SQ. FT. ◀

Replace thirsty turf with beautiful, climate-appropriate landscaping.
